

Downloading Your Presentations In MyMediasite

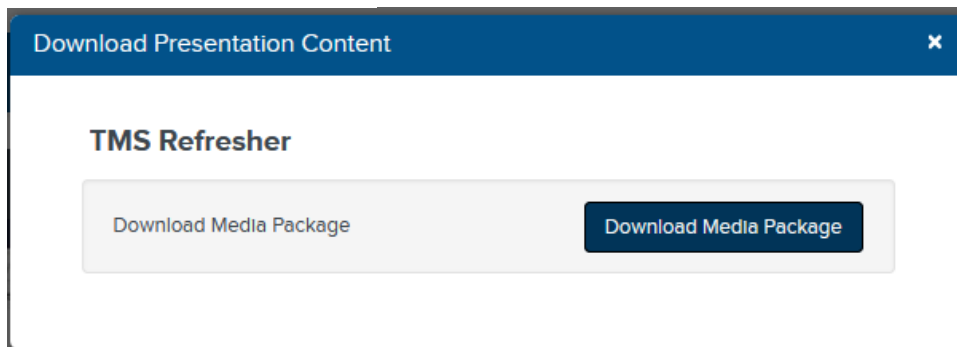

Find the presentation you want to download in your MyMediasite account

SECURITY

Once you've done that, you can click the "Download to Computer" button found on the RIGHT, underneath the "Edit Security" Button.

 [Download to Computer](#)

You can click "Download Media Package" to download your presentation.

The Presentation will download as a ZIP file. Unzip and find the MP4 in the "Content" folder.
